

6.0 MSHCP Implementation Structure

6.10 MODIFICATIONS AND AMENDMENTS TO THE MSHCP

MSHCP modifications and amendments are not anticipated on a regular basis. However, certain events may trigger modifications or minor or major amendments to the MSHCP. Any signatory to the IA may seek a modification or amendment to the MSHCP.

6.10.1 Modifications

➤ Clerical Changes

Clerical changes to the MSHCP shall be made by the RCA on its own initiative or in response to a written request submitted by any Permittee or Wildlife Agency, which includes documentation supporting the proposed clerical change. Clerical changes shall not require any amendment to the MSHCP, the Permits or the IA. Clerical changes include corrections of typographical, grammatical, and similar editing errors that do not change the intended meaning and corrections of any maps or exhibits to correct insignificant errors in mapping. The Parties anticipate that most clerical changes to the MSHCP will occur during the first ten (10) years of the Permits. Annual reports shall include a summary of clerical changes made to the MSHCP in the preceding calendar year.

➤ Land Use Changes

The Parties agree that the adoption and amendment of General Plans, Specific Plans, Community Plans, zoning ordinances and similar land use ordinances, and the granting of implementing land use entitlements by the County and the Cities are matters within the sole discretion of the County and Cities and shall not require amendments to the IA or the approval of other Parties to the IA. However, the Parties agree that: **(1)** no such action by the County or the Cities shall in any way alter or diminish their obligations under the IA, the MSHCP, the Management and Monitoring Program; and **(2)** approval of certain projects may lead to revocation or suspension of the Permits pursuant to Section 23.5 of the IA.

➤ Adaptive Management Changes

Except as otherwise provided, changes to minimization, mitigation, compensation and MSHCP Conservation Area management strategies developed through and consistent with the Adaptive
