

- Station 22 - 1281 Fifth Street

City of Riverside. Fire prevention and protection services within the City of Riverside are provided by the City of Riverside Fire Department. As of 1991, the City operates 13 fire stations within the City, and employs approximately 218 fire employees. The department has a wide range of fire fighting equipment. The City of Riverside has no planned fire facilities for the future. At this time, the City of Riverside is in need of five additional fire stations. The City of Riverside has mutual aid agreements with surrounding cities, the County of Riverside, and the County of San Bernardino. The following is a list of the fire stations that are operated by the City of Riverside.

- Station 1 - 3420 Mission Inn Avenue
- Station 2 - 9449 Andrews Street
- Station 3 - 6395 Riverside Avenue
- Station 4 - 3510 Cranford Avenue
- Station 5 - 6963 Streeter Avenue
- Station 6 - 2293 Main Street
- Station 7 - 10191 Cypress Avenue
- Station 8 - 11076 Hole Avenue
- Station 9 - 6674 Alessandro Boulevard
- Station 10 - 2590 Jefferson Street
- Station 11 - 19595 Orange Terrace Parkway
- Station 12 - 10692 Indiana Avenue
- Station 13 - 22250 Eucalyptus Avenue

3.4.2 Planned Park Facilities within the Proposed MSHCP Plan Area

The proposed MSHCP includes portions of habitat within unincorporated areas of the County in addition to habitat in the 14 cities located in western Riverside County. The habitat conservation Criteria Areas specified in the proposed MSHCP may affect, conflict, or restrict the implementation of future public park facilities in these areas; therefore, this section will address planned park facilities within the proposed MSHCP boundary and identify possible project-related impacts. Riverside County and each city in the proposed Plan Area were consulted to determine the locations of planned future park facilities. Table 3O provides a list of planned park facilities in the foreseeable future according to each jurisdiction. Because some of the parks were in different stages of planning, the information available for each park varies in detail. The most detailed available information is included in Table 3O.

Table 30 - Future Park Facilities

Location	Park	Location
Aguanga	<i>Cotton Wood Park</i>	44260 Sage Road
Banning	<i>Smith Creek Park</i>	East Terminus of Porter Street
	<i>Mountain Gate Park</i>	Mountain Avenue and Red Bluff Lane
