

MSHCP ALTERNATIVES SUMMARY

ALTERNATIVE	ACREAGE IN ADDITION TO EXISTING RESERVES	GENERALIZED LOCATIONS NOT CONSERVED AS COMPARED TO ALTERNATIVE 1	NUMBER OF SPECIES POTENTIALLY CONSERVED	SPECIES NOT CONSERVED AS COMPARED TO ALTERNATIVE 1	OTHER CONSIDERATIONS AS COMPARED TO ALTERNATIVE 1
Alternative 1	153,000	N/A	w/ Forest lands species: 160 w/o Forest lands species: 91	N/A	N/A
Alternative 2	119,000	<ul style="list-style-type: none"> ! Reduced configuration; Badlands, Vail Lake, Anza Valley ! Jurupa Mountains ! Norco Hills ! La Sierra Hills ! Upland areas adjacent to Lower Temescal Wash ! Linkages: Box Springs/Sycamore Canyon/Santa Ana River/Reche Cyn/Lower Temescal Wash/Fresno Cyn ! Linkages: Noble Creek, Cherry Valley ! Linkages: Cactus Valley, Mica Butte, Upper Tocalota ! Linkages: I-215/Scott Road area to Diamond Valley Lake ! Linkages: Lower Warm Springs, Lower Tocalota ! Linkage: Tenaja Corridor 	w/ Forest lands species: 144 w/o Forest lands species: 75	<ul style="list-style-type: none"> ! grasshopper sparrow ! Bell's sage sparrow ! golden eagle ! northern harrier ! white-tailed kite ! horned lark ! prairie falcon ! loggerhead shrike ! black-tailed jackrabbit ! bobcat ! long-tailed weasel ! San Diego desert woodrat ! mountain lion ! spadefoot toad ! long-nosed leopard lizard ! red-sided gartersnake 	Less robust reserve design likely results in: <ul style="list-style-type: none"> ! more adaptive management ! more survey requirements ! more restrictions on permitted activities ! more oversight

Alternative 3	93,000	<ul style="list-style-type: none"> ! Locations not conserved in Alternative 2 ! Badlands areas west of Potrero and near Reche Canyon ! Lakeview Mountains ! Double Butte ! Upper Temecula Creek ! Connection east of Johnson Ranch/ south of Lake Skinner ! Tule Creek 	w/ Forest lands species: 130 w/o Forest lands species: 61	<ul style="list-style-type: none"> ! Species not conserved in Alternative 2 ! tricolored blackbird ! coastal cactus wren ! burrowing owl ! turkey vulture ! Los Angeles pocket mouse ! legless lizard ! coastal glossy snake 	<ul style="list-style-type: none"> ! orange-throated whiptail ! banded gecko ! San Bernardino ringneck snake ! San Diego ringneck snake ! coastal rosy boa ! San Diego horned lizard ! granite spiny lizard ! granite night lizard 	Less robust reserve design likely results in: <ul style="list-style-type: none"> ! more adaptive management ! more survey requirements ! more restrictions on permitted activities ! more oversight
Alternative 4	- 0 -	All areas except Existing Reserves	<ul style="list-style-type: none"> ! 50 species conserved largely associated with Forest lands ! 23 of 29 listed and proposed species not conserved ! SKR not conserved outside existing HCP 	See Executive Summary – Table ES-4	N/A
